

We DO Prosperity

Setting aside money today gives you the financial independence to achieve your dreams in the future.

PRUSaver can be your best tool to save for your future while having the benefit of life cover to provide financial security for your family to cope with unfortunate contingencies. As you will be saving regularly, you will receive a cash benefit upon maturity of your policy. The cash benefit can be used for your dream house, vacation, business or your child's education.

Savings Made Easy

Have the money you need for a large future expense at the end of 5, 7 or 10 years. Set aside an amount on a regular basis and receive your full sum assured upon maturity of your PRUSaver. Discuss with your agent the mode of payment most convenient to you.

Building a Fund to Achieve Your Dreams

Regardless of your age, you can start building a fund to help make your dreams a reality. Our PRUSaver product offers savings options starting from MMK 1 million (MMK 1,000,000) to MMK 50 million (MMK 50,000,000). Our PRUSaver product is available for persons aged 10 to 60 years. You may set aside your money in a PRUSaver product for your child who should be at least 10 years old, and take the opportunity to expose your child to the value of saving for the future.

Money When You Need It Most

Life is unpredictable. When the unexpected happens, the sum assured of your policy will become available to your designated beneficiary or beneficiaries in the case of death. This product also provides you with financial protection should you need medical treatment or for expenses in the case of total and permanent disability.

Must Know Before Buying This Product

Product Exclusions – There are conditions that may affect the full payout of the death benefit or the total and permanent disability benefit. Death claim may not be paid if cause is due to suicide and/or there was material misrepresentation at the time of purchase. Total and permanent disability claim may not be paid if cause is self-inflicted, use of prohibited drugs and more. Please refer to the detailed terms and conditions in the Insurance Policy Contract to get a more comprehensive understanding of the plan.

You may be required to undergo a medical examination and to make declarations about your health and physical condition before purchasing this product. This may be due to amount of your sum assured, age and/or occupation.

The policy coverage will be terminated if Prudential Myanmar uncovers that incorrect information was shared regarding the medical and/or physical condition of the Insured.

Should you purchase this product and decide to discontinue paying it, a surrender value may be available for you. However, this amount is substantially lower than your paid premiums and it may mean some losses for you.

To maximize the value of this product, 56 year old and older must file premium payments to this product as tax deductible. Not doing so may result to possibly paying more than maturity value of this product.

Your Premium Payments are Tax Deductible

PRUSaver premiums may be tax deductible. This can reduce your annual personal income tax and makes premium payments to your policy more affordable. Our PRUTax Calculator estimates the tax savings that you could potentially enjoy if your PRUSaver premium is tax deductible. You should seek professional tax advice to understand what tax deductions, if any, apply to your individual circumstance.
